Fire Control Communicator

An automatic fire alarm system—typically made up of smoke detectors, heat detectors, manual pull stations, audible warn-ing devices, and a fire alarm control with remote notification capability—can provide early warning of a developing fire. Such a system, however, does not assure protection against

System User's Manual

system. It will turn off when the chime function key is pressed again to disable Door Chime. 12 AM, PM – This icon indicates that the local clock is displaying 12 Hr. time. These icons will not be on if the system is programmed for 24 Hr. time. 13 ALARM – This icon is used with clock digits 1 and 2 to indicate zones in alarm on the system ...

ADT manual

I was wondering if anyone would have a copy of the user manual they could email me as that would give me massive brownie points from the client, not so much from ADT. Many thanks Peter Galaxy is adt's (well honeywells) intruder range. Adt fire panels are usually mx range and even with a user manual you wont be able to do much with it!!
