## **Allroad manual transmission swap, manual to manual....**

So i know there is a decent amount of info on what need to be done to convert a TIP allroad to manual. However. I have a stock manual allroad, and the trans just let go. (It's a 2003) My question is can i swap any 01E into there? I know the allroad trans has different gear ratio's.... or should i just get it rebuilt? If anyone has any knowledge on this any input would be appreciated!
