Standardized Testing and Reporting (STAR) Program

Every spring, California students take tests that are a part of the Standardized Testing and Reporting (STAR) Program. Most students take the California Standards Tests (CSTs), which were developed for California public schools and are aligned to the California content standards.

Standardized Testing and Reporting (STAR)

The STAR program was the basis of the California Public Schools Accountability Act of 1999 (PSAA). The primary objective of the PSAA was to help schools improve the academic achievement of all students. The STAR tests were administered every spring to California public school students. The STAR Program had four components: California Standards Tests (CSTs), criterion-referenced tests that assessed the California content standards in English-language arts (ELA), mathematics, science, and ...
