The 42-inch Yard Machines Riding Mower makes it easy for you to get yard work done. This hardworking machine features a 420cc POWERMORE engine as well as a seven-speed shift-on-the-go transmission to give you the power to drive the MTD riding mower up small hills and ridges.

2002 yard machine transmission problem

I've got a 2002 mtd yard machine that runs great as far as the engine goes but that's as far as it goes. When I put it in any gear it just sits there. The pulley on top of the tranny is moving and that's it. I've taken the tranny out and removed the bottom cover to see if there was anything obvious but that too went nowhere. Then I noticed a

couple of things that really confused me.

MTD transmission What's INSIDE
