MILITARY SKILLS DEVELOPMENT SYSTEM

ADVANCED SPECIAL FORCES TRAINING Special Forces, as a strategic force, carries out special operations, independently or in co-operation with other State Departments or Services, to achieve national objectives, internally or externally, during peace or war comprising landward, airborne and waterborne capabilities. Special Forces is an affordable, dynamic and effective force, which boasts specially

What it takes to get into the South African army's Special ...

The Defence Force describes the Special Forces as a “dynamic and effective force, which boasts specially-trained personnel, and is equipped with specialist equipment”.

South African Special Forces

The South African Special Forces Brigade, colloquially known as the Recces, is South Africa's principal special operations unit and counter-insurgency elite, specialising in long-range combat reconnaissance as well as unconventional airborne operations. Only about 8% of recruits who undergo South African special forces training pass the course.

Integration. As multiracial democracy was introduced to the republic in 1994, the SADF was amalgamated with the formerly independent Bantustan security forces, the ANC's Umkhonto we Sizwe, PAC's Azanian People's Liberation Army and the 'self-protection units' of the Inkatha Freedom Party (IFP) to form the South African National Defence Force.
