Snail Farming Manual

Snail Farming 8 Snails as a pest Snails that have escaped from a farm, or been dumped by a farmer, may quickly develop into a serious pest in agriculture and horticulture. For these reasons it must be emphasised that snail farming should be seen as only one component in a diversified farming venture. How-

Snail Farming as an Enterprise

Snail farming requires a very little amount of capital and running cost is low. Snail farming is very conducive as no odour, stress, noise and irritation is involved. Profit generated in snail farming is far higher than one gained in livestock farming.
