

Download The Modern Period Menstruation In Twentieth Century America

The Modern Period: Menstruation in Twentieth

The Modern Period examines how and why Americans adopted radically new methods of managing and thinking about menstruation during the twentieth century. In the early twentieth century women typically used homemade cloth "diapers" to absorb menstrual blood, avoided chills during their periods to protect their health, and counted themselves lucky if they knew something about menstruation before menarche.

The Modern Period | Johns Hopkins University Press Books

The Modern Period ties historical changes in menstrual practices to a much broader argument about American popular modernity in the twentieth century. Freidenfelds explores what it meant to be modern and middle class and how those ideals were reflected in the menstrual practices and beliefs of the time.

The Modern Period: Menstruation and the History of ...

The Modern Period: Menstruation and the History of Sexuality. When it comes to menstruation, this sweeping narrative arc can feel persuasive, since ancient attitudes have in fact been strikingly persistent. And yet, the leap from the biblical book of Leviticus to the twenty-first century obscures as much history as it reveals.
